DETAILED ACTION

Allowable Subject Matter

2. The following is an examiner's statement of reasons for allowance in combination with other claim limitations:

Independent claims 1, 3-5, and 20-21, when considered as a whole, are allowable over the Prior Art of record. Specifically, the Prior Art of record fails to teach that the information processing system for controlling one or more thumbnails to display additional attribute information associated with the thumbnails at the predetermined position corresponding to the display position of the thumbnails if the predetermined time is found to have passed with respect to the selection of the thumbnails, wherein the predetermined time determines the amount of time elapsed between the selection of the thumbnails, wherein the speed of selection determines the displayed speed of the thumbnails, and the means for controlling the attribute information associated with the thumbnails to be displayed in the semitransparent frame or on the semitransparent background.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
